

Fire Drills

Make sure that you know where the fire exits are and how to use them. Do not tamper with fire alarms or fire extinguishers. Fire drills will be organised at regular intervals so please make sure you know what to do.

Procedures in the event of a fire

On hearing the fire alarm, leave the building immediately by the nearest available exit (including fire exit doors). Go to the fire assembly point to the left of the front of the building at the crossroads of Mandeville Place and Hinde Street.

IFG fire wardens are Michael, Siavash and Mohamed. Lecturers are responsible for ensuring that the classroom in which they are teaching is evacuated. Leave your possessions in the classroom and do not use the lifts. Do not re-enter the premises until told by the controlling officer to do so.
